

# Grey Fleet Management

Cut administration costs and ensure duty of care compliance

Tranman's grey fleet management solution is designed to control the administration and legal compliance of your grey fleet drivers. 'Grey fleet' refers to business mileage carried out in employee-owned vehicles, a difficult area for organisations to manage and monitor.

## Standard Features

- > Manage non compliance by exception
- > Record licence, insurance and maintenance information
- > Record all training records and licence endorsements
- > Links to existing driver and accident modules.

## Benefits

- > Ensure duty of care compliance with minimal effort
- > Cuts central administration and costs through online self service
- > All documents stored securely in Tranman for ease of access and checking
- > Easily linked with 3rd party DVLA licence check systems

## Optional Features

- > Link to 3rd party DVLA driver licence checking companies
- > Self service web portal so drivers/managers can upload documents
